

ROJO MACHINES FINLAND

ROJO 50 TM

The Rojo 50 TM is a easily maneuverable and small turbo mixer.

It is great for working in closed spaces and narrow passages. The mixer is fitted with 250 mm diameter wheels and very sturdy handles that make it easy to use.

As all the other Rojo mixers, it is designed to withstand a lot of wear and tear. And if after years of use you need to change the pan, it is easily replaceable.

Because of the high rpm the mixer works well with paint and other liquids that need mixing.

Capacity:	50 kg of plaster
Electric motor:	1,5 kW 400V/50Hz, 245 rpm
Gearbox:	Helical gearbox
Material:	Galvanized steel
