

ROJO MACHINES FINLAND

ROJO MINIMAX

Minimax is extremely easy to maneuver as it weighs only 84 kg. It fits easily through all the doorways and can be fitted to most cars.

The mesh grid lid is fitted with a bag cutter and the mixer arms are easily removed so that it is extremely easy to clean. Electric connection is 230V making it the perfect mixer for household use.

The mixer is a lot more durable compared to your regular concrete mixers. Our mixers are made for tough environments and with good maintenance and with good care it will mix for years.
